Decision : Accepted

The review process for your paper, which was submitted for possible publication in Journal of NonLinear Systems and Applications (JNSA), has now been completed. The Associate Editor received one reviewer report, it is attached for your information. The Associate Editor recommendation is as follows: "Attached is a report I received on the paper JNSA205. I have just one report but I read the paper myself and share the opinion of the anonymous referee. Therefore, in my opinion, the paper can be published in JNSA".

I concur with the Associate Editor's recommendation.

Please submit your revised paper (both as a pdf file and latex file along with all tables, figures/graphs as eps files if any) via email to the *journal.nsa@gmail.com* (or to *aziz.alaoui@univ-lehavre.fr*) by 17 february 2010. You are also invited to follow carefully the JNSA **format style** which is given in the web page of the journal.

Thank you very much for your support to our Journal.
We are looking forward to receiving your revised paper.
Sincerely yours,
